

RANGOLI

Rangoli is an art activity from India. Rangoli are usually large circular designs with repeating patterns. They are bold, colourful and sometimes very detailed. Rangoli designs are traditionally made at Indian festivals like Diwali as a way to welcome guests to your home.

Here are some examples of rangoli:

What you will need:

- A large piece of square paper
- A pair of compasses OR some circular items you can draw around
- Colouring pencils or pens

<p>1. Take the large sheet of piece. Roughly find the centre of the paper. (You could fold the paper into quarters to find this)</p> 	<p>2. Use a pair of compasses to draw a large circle. You might want to create smaller circles inside this.</p> 
<p>3. If you don't have a compass, you could use a plate, saucer lid, glass or clock?</p> 	<p>4. Start creating your rangoli!</p> 
<p>5. Can you get your family to join in? could everyone do a pattern?</p> 	<p>6. Have fun colouring it in!!</p>
