WELCOME TO CAST

Since opening in 2013, we have welcomed hundreds of thousands of guests for events such as conferences, corporate events and meetings.

With a remarkable central location (close to fantastic amenities including hotels, restaurants and transport links) you can maximise convenience and work with us to make your venue hire experience as hassle-free as possible. We offer a wide variety of impressive spaces that will suit any bespoke event design, from small intimate meetings to larger conferences.

Our duty managers will set up the event space to your specification whilst our front of house team will greet you and your guests upon arrival. Our catering team will provide a delicious menu to meet your specific requirements.

This brochure will guide you through each of our spaces and their different configurations, the rate of hire and our conference menu.

THE MEETING SPACE

The Meeting Space is a multi-use space for various events. We have two meeting spaces; Meeting Space 1 and Meeting Space 2. These spaces are perfect for Board meetings, team away days or smaller interviews. They are located on the first floor and host a view overlooking Sir Nigel Gresley Square. They are open plan, with plenty of natural light, which can be divided into three configurations for learning, workshops, and meetings.

These spaces can be joined together to create Meeting Space 3, which is perfect for larger meetings.

The Meeting Spaces are fully accessible, are close to our public lift and a short distance away from our toilets. Both spaces have TV screens with cameras for presentations and video conferencing.
